About the Institute - IKDRC-ITS

Smt. Gulabben Rasiklal Doshi and Smt. Kamlaben Mafatlal Mehta Institute of Kidney Diseases & Research Centre - Dr. H. L. Trivedi Institute of Transplantation Sciences (IKDRC-ITS) is located in Civil Hospital Campus, Asarwa, Ahmedabad in the state of Gujarat, India. The institute was established on October 7, 1981 on an auspicious ninth day of Navratri and Institute of Transplantation Sciences was established as its sister institute in the year of 1997. Today it stands on the western end of the civil hospital campus, occupying an area of 15,000 sq. mts and total built up area of 20,000 sq. mts, and expansion of New Building of Institute located at majushree compound, nr civil hospital campus, Ahmedabad. The facilities of new building is more than 2 time of current existing facilities. its can boast to be largest tertiary care center of its kind in the world.

Institute of Kidney Diseases and Research Centre is one of the largest institutes in the world, based on three pillars of service, education and research, catering the needs of all classes of patients with kidney diseases. The primary objective of the institute is to establish, operate, promote, run and manage institutions engaged in service, education and research pertaining to the field of Nephrology, Urology, Transplantation, Hematology, Autoimmune and Genetic disorders.

Services Being Provided By IKDRC-ITS

At present IKDRC-ITS, has an average annual OPD of more than 1,50,000, admission of more than 11000 cases in Nephrology, 8000 in Urology, 500 cases each in Paediatric Nephrology and Gastroenterology and liver transplantation, 600 cases in Paediatric Urology, 2600 in Obstetrics and Gynaecology. IKDRC-ITS have performed about 400 kidney and 35 liver transplants per year and there is already a waiting list of patients to be treated. We are planning to expand infrastructure and facilities to cater further services. Institute now caters to the people of Gujarat for services of dialysis in most of the districts through its centres.

BOOK CHAPTER: 3

Fellowship Programme

No.	Name of the Course	Duration	Intake
1	Fellowship in Abdominal Organ Transplantation	3 Years	4
2	Fellowship in Pediatric Nephrology & Transplantation	2 Years	2
3	Fellowship in Liver Transplant Anesthesia & Critical Care	1 Year	2
4	PDCC (Renal Pathology)	1 Year	2
5	Fellowship in High Risk Pregnancy	1 Year	2
6	Fellowship in Minimal Access Surgeries	1 Year	2
7	Fellowship in Infertility and ART	1 Year	2
8	Fellowship in Interventional Radiology	2 Years	1
9	Fellowship in Transplant Radio Diagnosis	1 Year	2
10	Fellowship in Critical care Medicine	1 Year	2
11	Certificate course in Cytogenetics	6 Months	2

Eligibility for Fellowship Programmes:

No.	Department	Fellowship	Required Qualification
1	Department of Abdominal Organ Transplantation	Fellowship in Abdominal Organ Transplantation	MS (General Surgery) / DNB (General Surgery)
2	Department of Pediatric Nephrology	Fellowship in Pediatric Nephrology & Transplantation	MD / DNB (Pediatrics)
3	Department of Anesthesia and Critical Care	Fellowship in Liver Transplant Anesthesia & Critical Care	M.D.(Anaes.) / DNB (Anaes).
4	Department of Pathology, Laboratory medicine, Transfusion services and Immunohematology	PDCC (Renal Pathology)	MD/ DNB (Pathology)
5	Department of Obstetrics & Gynecology	Fellowship in High Risk Pregnancy	MS / MD / DNB in Ob & Gyn
6	Department of Obstetrics & Gynecology	Fellowship in Minimal Access Surgeries	MS / MD / DNB in Ob & Gyn
7	Department of Obstetrics & Gynecology	Fellowship in Infertility and ART	MS / MD / DNB in Ob & Gyn
8	Department of Radiology	Fellowship in Interventional Radiology	MD / DNB Radiology
9	Department of Radiology	Fellowship in Abdominal organ transplant Radio diagnosis	MD / DNB Radio diagnosis
10	Department of Anaesthesiology	Fellowship in Critical care Medicine	MD/DNB in Anaesthesia or MD / DNB Medicine or MD/DNB TB & Chest Diseases
11	Genetic Laboratory	Certificate course in Cytogenetics	B.Sc. / M.Sc. (Life Sciences) or MLT / PGDMLT.

FEE STRUCTURE:

No.	Fellowship Programme Name	Fees
1	Fellowship in Abdominal Organ Transplantation	University Registration Fees: Rs.5,000/- Tuition Fees: Rs.50,000/- Security Deposit: Rs.10,000/-
2	Fellowship in Pediatric Nephrology & Transplantation	University Registration Fees: Rs.5,000/- Tuition Fees: Rs.50,000/- Security Deposit: Rs.10,000/-
3	Fellowship in Liver Transplant Anesthesia & Critical Care	University Registration Fees: Rs.5,000/- Tuition Fees: Rs.50,000/- Security Deposit: Rs.10,000/-
4	PDCC (Renal Pathology)	University Registration Fees: Rs.5,000/- Tuition Fees: Rs.50,000/- Security Deposit: Rs.10,000/-
5	Fellowship in High Risk Pregnancy	University Registration Fees: Rs.5,000/- Tuition Fees: Rs.50,000/- Security Deposit: Rs.10,000/-
6	Fellowship in Minimal Access Surgeries	University Registration Fees: Rs.5,000/- Tuition Fees: Rs.50,000/- Security Deposit: Rs.10,000/-
7	Fellowship in Infertility and ART	University Registration Fees: Rs.5,000/- Tuition Fees: Rs.50,000/- Security Deposit: Rs.10,000/-
8	Fellowship in Interventional Radiology	University Registration Fees: Rs.5,000/- Tuition Fees: Rs.50,000/- Security Deposit: Rs.10,000/-
9	Fellowship in Abdominal organ transplant Radio diagnosis	University Registration Fees: Rs.5,000/- Tuition Fees: Rs.50,000/- Security Deposit: Rs.10,000/-
10	Fellowship in Critical care Medicine	University Registration Fees: Rs.5,000/- Tuition Fees: Rs.50,000/- Security Deposit: Rs.10,000/-
11	Certificate course in Cytogenetic	University Registration Fees: Rs.500/- Tuition Fees: Rs.20,000/- Security Deposit: Rs.5,000/-

Security deposit will be refunded ONLY on successful completion of the course and after NOC from Course Coordinator. IKDRC-ITS has reserves the right to revise the fees structure at any time without notice

Selection Procedure:

Selection will be based on merit and personal interview, and will be displayed on the website and Notice Board of the IKDRC.

Stipend will be paid as per the State Government rules and will be equivalent to Clinical assistant / Sr. Resident.

Hostel facilities:

On-campus hostel accommodation is available for fellowship students. Rooms are allocated based on availability.

University Examination and Certification

All candidates enrolled in the fellowship programs will be required to undergo an exit examination at the end of their training period. Successful candidates will be awarded a **fellowship** based on their program of study by Gujarat University of Transplantation Sciences.

Examination Structure:

1. **Format:** The exit examination will consist of both theoretical and practical components to comprehensively evaluate the students' understanding and application of medical principles related to their specialty.
2. **Theoretical Component:** Short answer questions, and case-based discussions. Topics will cover all critical areas of the fellowship curriculum.
3. **Practical Component:** Students will demonstrate their clinical skills and competencies through practical assessments, procedural skills, and patient interactions.
4. **Assessment Criteria:** Students will be evaluated on their clinical reasoning, decision-making skills, practical proficiency, and communication skills. A minimum passing score must be achieved in both theoretical and practical assessments to qualify for certification.
